

PORSCHE CLUB OF AMERICA • SAN DIEGO REGION PERFORMANCE DRIVING SCHOOL FALL 2019

OCTOBER 4-5-6, 2019

Learn the limits of your Porsche in a safe environment, with the continued guidance of experienced instructors.

No prior performance driving experience is required, however this School is not intended to teach attendees how to drive; *you must already be a fully competent driver.*

This is an opportunity to learn Performance Driving techniques that can be applied to any driving situation; many past students have reported that the driving skills they learned in PDS helped them avoid an accident! It will also significantly enhance the enjoyment of driving your Porsche.

“Sometimes, in order to find your limits, you have to exceed them.”
